Re: Skinner Landfill Site - Clarke Entities

Dear Ms. Estes and Mr. Melodia:

This acknowledges receipt of Ms. Estes' June 11, 1997 letter. Ms. Estes appears to have sent her June 11, 1997 letter to 25 persons, including me and Steven Wesloh at my office. The letter advised that, *inter alia*, each of the 25 "To Whom It May Concern" persons had not, at least as of June 11, 1997, "...signed alternative dispute resolution (ADR) participation statements...."

There appears to be some confusion as to the fact that, **AS OF THIS DATE, AS MR. CLARKE KNOWS, MY OFFICE DOES NOT REPRESENT EITHER MR. MARTIN CLARKE OR ANY CLARKE ENTITY** (of which there appear to be several). Despite this fact, various envelopes and other documents have recently begun to arrive in my Post Office Box and on my facsimile machine, all directed to me and/or to Steven Wesloh.

If this changes, I/we will enter our appearance in the U.S. District Court as is appropriate. In the meantime, please ask everyone to **STOP SENDING ANY MORE STUFF TO ME OR STEVE WESLOH** unless and until we become counsel to one or more of the named PRPs at the Skinner Landfill Superfund Site.

Thank you for your attention to this matter. Please call if there are any questions.

Sincerely,

A handwritten signature in cursive script that reads "Thomas A. Coz".

Thomas A. Coz
